**WELCOME**

**A. Remarks from Jeff Bergman**

**B. Railroad Committee Update**

Dave Hayward, City Engineer and Executive Director of Public Works, and Heather Pope, Director of Redevelopment, will provide an update on the progress of the City of Columbus Railroad Committee. This Committee has been established by Mayor Lienhoop, and also includes representatives of County government, and is intent to assess the impacts of increased usage of the Louisville and Indiana railroad tracks and identify possible mitigation measures.

**C. CAMPO Long Range Transportation Plan**

Laura Thayer, CAMPO Director, will provide a progress report on the 5-year update to the Long Range Transportation Plan. Per federal requirement, the LRTP is a planning document that includes a prioritized list of transportation projects to be completed over the next 25 years.

**D. Infill Site Profiles Update**

Emilie Pinkston, Senior Planner, will give an update on the development of properties listed in the Planning Department's Infill Site Profiles. The Infill Site Profiles, originally prepared in 2012, highlighted 32 infill sites within the Columbus city limits that were positioned for redevelopment or had not previously been developed. To date, several of the identified infill sites have been developed or have pending projects.

**E. Growth Management / 2017 Annual Meeting Goals Discussion**
